

A Taste of California
The Master Wine List

Overview

Sonoma Cellar, LLC, is an on/off-premise California-inspired restaurant and wine tasting room located at 207 King Street in the heart of historic Old Town Alexandria, Virginia. Offering an authentic California wine tasting experience, Sonoma Cellar features hand-selected wines from more than 200 Sonoma County and Virginia-based wineries, as well as other locations, domestic and international, where guests have the opportunity to taste several varietals from these robust growing regions.

Our philosophy is that Sonoma Cellar lives in the space between the winery and the grocery store. We bring you wines that you cannot find easily, and if you can - they are excellent wines worthy of our wine list. What you drink on the tasting menu is also chosen to be worthy of your by-the-glass money. We discount our off-premise bottles to bring them to the price you would find at the winery or less. We want to share the love of great wines that are treasures but not damage your pocketbook.

Rick and Elizabeth Myllenbeck, bi-coastal residents of Sonoma County and Old Town Alexandria, have conducted extensive, hands-on research into each winery, personally meeting with many winemakers tasting their wine and creating valued friendships. This allow us to personally certify that every bottle of wine offered in Sonoma Cellar was curated with the highest craftsmanship levels, quality, love, care, and passion.

Should you need assistance in selecting a wine to complement your dinner or budget, please do not hesitate to ask. Additionally, since we receive new wines almost daily that are not included here, please review our wines by the glass list too. We hope you enjoy your wine and dining experience at Sonoma Cellar.

Cheers!

Elizabeth and Rick Myllenbeck and all of us at "Team Sonoma."
